Managers Meeting Minutes
30 November 2008 – 20:00 – Lincoln Green Pub

1. New Year's Party

- New year's party tickets are now available. These should have been distributed to most manager by now however if any more are required, managers should see one of the fund raising committee.
- Tickets sold should be entered onto the purchases section of the website. These are available as individual for £4 for family of 3, family of 4 or family of 5 for £15. Martin asked managers to enter the accurate number for families so we would have a good idea of numbers.
- Mike was asked by the fund raising committee to put a list of prizes on the website along with company names who donated them.
- It was decided that once again each team would run a game on the night. The following were agreed:
 - U7 – Manager/coach baby pictures
 - U8A – Bingo
 - U9 – Under/over balloon races
 - U10A – Throw money at whisky/sweets
 - U10B – Quiz
 - U11A – Stand up bingo
 - U12 – Heads and tails
 - U13 – Pass the parcel

- Sean reported that some teams have still not done their photo. Sean needs a photo of the team in their kit and another in their jackets so he can get them made up and sent out to sponsors with a thank you letter.
- Mark Nott asked whether it was a requirement for linesmen to swap sides at half time. Mike said he will look into this with the league.
- Martin read out the proposed changes to the constitution and reported that it would be made available to members via the website from tomorrow.
